*~REALTORS®-PAC Mission Statement~*

Dear fellow REALTOR®,

I encourage you to think about the purpose of the REALTORS® - PAC (RPAC) and to read the materials available on the webpage dedicated to Florida RPAC. RPAC is our profession's tool in helping elect officials to protect your business, as well as the rights of all property owners here in Florida.

As your 2009 President, and a Golden R and Hall of Fame contributor to RPAC, I can attest to the good work the REALTORS®-PAC does in Washington and here at home. By continuing the fight to protect private property rights, working for lower property taxes and lower property and health insurance costs, RPAC ensures our ability to do business in Florida. ***RPAC truly is the best investment in your business and the real estate industry.***

Not contributing is like driving a new car without insurance. You can get away with it but do you really want to take that chance? It's a very small price to pay for the short and long term benefits it brings.

Thank you for taking the time to educate yourself about what RPAC is doing for you and what you can do for RPAC. The future is bright and our success is dependent upon your support and involvement.

Sincerely,

Cynthia C. Shelton, CCIM, CRE, GRI

2009 FAR President
