## Central Florida Realtor® to Be Installed as Treasurer of Florida's Largest Professional Association

**ORLANDO, Fla., December 2021** – Tim Weisheyer, broker-owner, Dream Builders Realty in Celebration, will be installed in January as 2022 treasurer of Florida Realtors®, the state's largest professional association with more than 200,000 members. "We have a strong leadership team that is deeply committed to supporting homeowners and businesses throughout the state," he said.

Looking ahead to 2022, Weisheyer expects strong demand will continue for Florida homes and condominiums. "Many individuals, couples and families from throughout the U.S. and around the world will be moving to Florida," said Weisheyer, who is active in residential and commercial brokerage. "However, affordability will be a challenge, as home prices will continue to rise."

A leader in regional, state and national real estate associations, Weisheyer was a 2020 director of the Osceola County Association of Realtors® and chair of its Commercial Alliance Task Force; he served as president of his local association in 2011. He has been recognized for his service and leadership on the local, state and national level, including being inducted into the National Association of Realtors® (NAR) Hall of Fame. Weisheyer is also an advocate for education at all levels, and served as president of the Florida School Boards Association.

As treasurer of the state association, Weisheyer will focus on helping Realtors deliver the highest level of service to their customers and communities through information, advocacy and support programs. "We need to adhere to the highest standards of our profession and demonstrate the value we provide to our customers in every transaction," he said.

Weisheyer added that Florida's Realtors are dedicated to supporting the state's housing market and protecting private property rights. "Every day, our Realtor members are making a positive impact on their communities and our country," he said.
