

# WATER QUALITY

## FLORIDA REALTORS® ADVOCACY EFFORTS

Florida Realtors continues to be a strong voice on water issues each legislative session. During the 2022 session, our consistent messaging and determination to address pressing environmental concerns resonated with lawmakers. The following highlights of Florida's overall environmental budget show our advocacy efforts again yielded major results:

**\$1.6 BILLION**      **Total Water Quality and Restoration Funding**

**\$425 Million**      **Everglades Restoration**

**\$450 Million**      **Lake Okeechobee Watershed Restoration**

**\$50 Million**      **Total Maximum Daily Loads**

**\$75 Million**      **Springs Restoration**

**\$50 Million**      **Beaches**

**\$20 Million**      **Biscayne Bay**

**\$125 Million**      **Wastewater Grant Program**

**\$470 Million**      **Resilient Florida Grant Program**

*\*House Bill 5001 as passed by the Legislature on March 14, 2022.*
