Central Florida Realtor® to Be Installed as Vice President of Florida's Largest Professional Association

ORLANDO, Fla., December 2022 – Tim Weisheyer, broker-owner of Dream Builders Realty in Celebration, will be installed in January as vice president of Florida Realtors®, the state's largest professional trade association with more than 225,000 members. "We have a great leadership team that is deeply committed to supporting communities throughout the state," he said.

Looking ahead to 2023, Weisheyer expects a strong recovery from Hurricane Ian's coastal and inland storm damage. "We are a resilient state and will build back better than ever," said Weisheyer, who is active in residential and commercial brokerage. "People will continue moving to Florida, increasing demand for all types of homes and condominiums."

A leader in regional, state and national real estate associations, Weisheyer was 2020 director of the Osceola County Association of Realtors® and chair of its Commercial Alliance Task Force; he served as president of his local association in 2011. He has been recognized for his service and leadership on the local, state and national levels, including being inducted into the National Association of Realtors® (NAR) Hall of Fame. Weisheyer is also an advocate for education at all levels and served as president of the Florida School Boards Association.

As vice president of the state association, Weisheyer will focus on helping Realtors deliver the highest level of service to their clients and communities through information, advocacy and support programs. "We need to adhere to the highest standards of our profession and demonstrate the value we provide to our customers in every transaction," he said.

Weisheyer added that Florida's Realtors are dedicated to supporting the state's housing market and protecting private property rights. "Every day, our Realtor members are making a positive impact on their communities and our country," he said. "We are active volunteers for worthy causes, striving to improve the lives of our neighbors."

Florida Realtors® serves as the voice for real estate in Florida. It provides programs, services, continuing education, research and legislative representation to its more than 225,000 members in 51 boards/associations.
