

WHAT'S THE ROI ON ELIMINATING FLORIDA'S BUSINESS RENT TAX?

If Florida invests \$976.8 million to eliminate the BRT, it gets back:

58,653

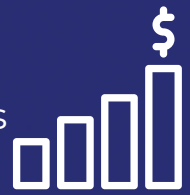

new construction,
operations and maintenance
jobs over 5 years.

An additional

\$4 BILLION

the
first year in new business
growth and operations.

An additional

\$19.7 BILLION

in new business growth and
operations over 5 years.

An additional

**\$340
MILLION**

every year in
recurring spending.

Overall, **FOR EVERY DOLLAR
FLORIDA INVESTS** in eliminating the BRT, it
gets back

MORE THAN \$6
in new economic activity.

ELIMINATING THE BRT IS ONE OF THE
BEST INVESTMENTS FLORIDA COULD MAKE.
